

4<sup>th</sup> Edition of World Congress on

# INFECTIOUS DISEASES

21-22 JUNE, 2023  
ROME, ITALY

## Theme: Eradicating Infectious Disease through Ascension in Research

For more information and updates, Please mail us at: [infectious@magnusconference.com](mailto:infectious@magnusconference.com);

Phone: +1 (702) 988-2320, WhatsApp: +1 (640) 666 9566, Face Book: @InfectionDiseaseConf, Twitter: @InfectionEvent

### Overview

Infection 2023 addresses the rapid strides and technical advancements currently witnessed in the fields of infectious diseases. This event is geared toward healthcare professionals in infectious diseases and healthcare epidemiology and prevention, including researchers, clinicians, epidemiologists, quality and patient safety practitioners, and public health officials, including those who see HIV and pediatric patients. It is a must-attend conferences for professionals who want to stay up-to-date, apply state-of-the art science to clinical care, and excel in their own careers.

### Opportunities

We are excited to invite you to sponsor and exhibit at the

Infection 2023. Download the 2023 Exhibitor and Sponsorship Prospectus.

### Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
